

Instructions

This report has been structured to give us the information we need to monitor the success of the Vacation Scholarships. We do not expect long and involved answers; please try to keep responses brief (bullet points or a few sentences) and **directed at a general audience**. If we require more detail on an answer we will contact you to follow up. If you are unclear about what information you should include, please contact us to clarify.

Please type your report using this electronic form template using 11 point arial. You are welcome to add or delete rows from tables as required.

1. Vacation Scholarship details

Recipient	
Research title	
Year scholarship commenced	
Date report completed	

1. Research aims

Aim	Description	Has the aim been achieved?	Explanation (if not fully achieved)
1		Yes fully; Yes partially; No	
2		Yes fully; Yes partially; No	
3		Yes fully; Yes partially; No	
4		Yes fully; Yes partially; No	

2. Benefits / impact of the research

Please give a brief overview of the impact on cancer control achieved and / or predicted to be achieved by your research. For example new understanding that could help develop better drugs, a new tool to improve surgical outcomes, improvements in patient care. Please distinguish between impact that has already occurred and potential future impact.

Tip: This section will be given to the donors who have funded your research. What do you think they would like to know about what you have achieved (donors are not usually very interested in your publication rate or citation index)?

3. Knowledge Production

3.1 Academic publications

Publications aimed at an academic audience e.g. papers, book chapters, books, reports. Please only include publications **directly resulting** from the funded research.

- Have you / are you expecting to submit publications directly relating to the work of your vacation research project? Yes / No

Please add details below

Full reference	Status	CCWA acknowledged (yes / no)?
	Published; In press; Submitted draft	
	Published; In press; Submitted draft	

3.2 Academic presentations

Including conference presentations, posters, invited talks etc. Please only include presentations **directly relating** to the funded research.

- Have you / are you expecting to give presentations directly relating to the work of your vacation research project? Yes / No

Please add details below

Full reference (incl. author(s), title, conference / meeting name, location, year)	Type	Level	CCWA acknowledged? (Yes / No)	Any extra comments
	Peer-reviewed / refereed Oral presentation; Peer-reviewed poster; Other	Local; State; National; International		

4. Increased Research Capacity

4.1 Career development

Are you planning a career in cancer research? Yes / No

If yes, please give details of your continued education program:

Course	Institution / department	Start date

If no, please tell us briefly why you have chosen not to and what you are planning to do instead.

5. Community engagement & dissemination

5.1 Engagement with Cancer Council WA

Please list any Cancer Council WA initiatives you have been involved with over the period covered by this report, e.g. research lunch, fundraising campaigns, provision of expert advice, lab tours for donors.

Initiative	Date

5.2 Presentations to non-academic audiences

Please list any presentations given to non-academic audiences e.g. practitioners, policy makers, local community group. Only include ones related to your work / research.

Title / topic	Presenter(s)	Who presented to (e.g. event, organisation)	Date	Location	CCWA acknowledged? (yes / no)	Any other comments

5.3 Media

Please list details of any media relating to your research e.g. newspaper articles, radio interviews, newsletter articles.

Title or topic	Publication / program name	Date published / broadcast	CCWA acknowledged (yes / no)?

6. Supervisor Approval
