General Information

The financial report covers Cancer Council Western Australia Inc. (the Council) as an individual entity. The financial statements are presented in Australian dollars, which is the Council’s functional and presentation currency.

The financial statements were authorised for issue on 22 September 2020.

MESSAGE FROM OUR CEO AND PRESIDENT.

There is no doubt that it has been an unprecedented year.

The sudden emergence of the COVID-19 pandemic did not stop the impact of cancer, with 33 West Australians hearing the words 'You have cancer' every day.

While we have all been faced with challenges - personal, organisational and global - it is thanks to the generosity of our supporters and the commitment of our staff and volunteers that Cancer Council WA has continued to support people and their families affected by cancer.

This support has continued despite the many challenges, including the cancellation or modification of many of our major fundraising events and the suspension of some services that would have put vulnerable patients at risk.

Through these challenges has emerged innovation and hope.

This year we took our cancer education programs online, using technology to ensure education opportunities and evidence-based information remained available to health professionals. In an exciting first, we partnered with Homeless Healthcare and the Hotels With Heart program to sponsor nicotine replacement therapy to assist homeless VIP guests to quit or cut down their smoking.

With cancer patients and their families experiencing increased anxiety during the pandemic we saw a fifty percent increase in the number of people being referred to our Cancer Counselling Program. Thanks to your support, this program continued to provide critical psychosocial support via telephone and video sessions. We also saw a twenty percent increase in the number of requests for financial assistance; community donations and strategic partnerships, however, enabled us to offer additional assistance to cancer patients who were in significant financial distress. We were also able to make discounted food and essential groceries available to country cancer patients and their carers staying at our Lodges during the lockdown period. Thanks to your support, we were able to continue delivering wigs, turbans, beanies and scarves through our Postal Wig Service.

Throughout this difficult time the commitment and dedication of our supporters has been unwavering. It has been humbling to witness such genuine passion as individuals and organisations continued to find innovative ways to raise funds online, or to dig into their own pockets to donate even when facing uncertainty themselves. As a community-funded organisation we simply could not continue our work without the support of so many and to see the community rally together and continue to show care and commitment to those affected by cancer is something for which we will be forever grateful.

It has indeed been an extraordinary year but one thing is certain, we could not have done it without you. On behalf of our Board, staff, volunteers and those we serve - thank you.

Ashley Reid
Chief Executive Officer

Dr Ruth Shean
President and Chair

Our CEO Ashley Reid with President Dr Ruth Shean

2019-20 Highlights.

There were

4891

check-ins at our **Crawford and Milroy accommodation Lodges** from country patients and their carers to access treatment in Perth

1548

Transport to Treatment trips were provided from our Crawford and Milroy Lodges at no cost to regional cancer patients and their carers

3066

hours of driving were contributed by **19 volunteer drivers** for transport to treatment from our Lodges

1482

counselling sessions were provided at no cost to **775 people** affected by cancer

396

patients were provided with **pro bono legal, financial and workplace advice**

5953

contacts were received by **13 11 20**, our cancer information and support line

121

cancer patients or their carers received assistance from our **practical support services**

6030

country cancer patients and carers received **support from our regional Cancer Support Coordinators**

2029

wigs, turbans, hats and scarves were provided to **471 cancer patients** at no cost by our Wig Service

8454

hours were contributed by volunteers supporting cancer patients across the state

1183

health professionals, palliative care volunteers and Cancer Council WA staff took part in **67 Palliative and Supportive Care Education events**

\$187,829

in financial hardship payments were made to **945 people** experiencing hardship while undergoing cancer treatment

435

cancer patients and their carers attended our **Life Now Mind and Body** courses at no cost

Celebrating **20 years** of Crawford Lodge.

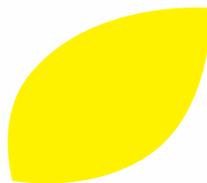

In February we celebrated the 20th anniversary of Crawford Lodge. Since opening the doors 20 years ago, our Lodges have seen more than 67,000 check-ins from country cancer patients and their carers from across the state.

Offering a range of practical and emotional support services, inviting communal areas and social activities, our Lodges are more than just a convenient place to rest; they truly are a **home away from home**.

As part of the 20th anniversary celebrations, we launched our new 'Adopt a Room' program to help us provide these vital support services to country patients. Supporters of this program help to provide a home away from home for every guest that stays in their adopted room for the year.

The first six rooms were proudly adopted by:

- AFA Foundation
- The Lally Family
- Pindan, in honour of Natasha Curran
- Jill Tilly
- Ruth and Neville Thorn
- Bruce and Janice White

“ *The **help and support** has been beyond what we can imagine.* ”

2019-20 Highlights.

\$124,290

was raised from our **COVID-19 Emergency Appeal**, providing vital support to patients and survivors

We received notification that we were a **beneficiary to**

47 estates

1795 community fundraisers raised

\$1,262,376

90 corporate volunteers from seven organisations spent a total of **300 hours** in our Milroy Lodge kitchen as part of our Cook a Meal Program

\$261,191

was raised for **Daffodil Day** across the state

\$314,125

was raised by **305 Australia's Biggest Morning Tea hosts**

\$980,082

was raised by **2985 participants in Relay For Life events** across WA

2019-20 Highlights.

We allocated over

\$2m

to support our cancer research program with 99 researchers across 40 projects funded

1438

clinicians, nurses and health professionals working in oncology took part in **26 cancer education events** provided by the **Western Australian Clinical Oncology Group (WACOG)**

492

GPs and other health professionals increased their cancer knowledge via our **GP cancer education project**

44

bowel cancer screening community talks were delivered

Seven submissions were made to national government agencies calling for improved workplace regulations to protect workers from **occupational carcinogens**, such as **silica dust**

1.3m

global users visited the LiveLighter® website, including **281,756 from WA**

Total awareness of the **'Don't let the sun see your DNA'** summer skin cancer campaign was **71%** up from 57% in 2018-19

The SunSmart Schools and Child Care program now reaches more than **800 schools and centres**, covering an estimated **114,500 kids** across WA

Make Smoking History engaged with **22 community service organisations** across WA, leading to over **10,000 clients** having improved access to assistance and support to help them reduce and quit smoking

105

Find Cancer Early presentations were delivered by our Regional Education Officers to regional WA

139

people completed the **Workplace Health and Wellbeing Coordinator Training**

29,480

students crunched on fresh vegies as part of **The Great Vegie Crunch** event

639 parents attended our **Packed with Goodness parent nutrition education sessions**, teaching families the importance of fueling little bodies with healthy food

NOTES TO THE FINANCIAL STATEMENTS.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

Cancer Council Western Australia Inc. (the Council) has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Council.

The following new or amended Accounting Standards or Interpretations are relevant to the Council:

AASB 15 Revenue from contracts with customers (effective 1 July 2019)

This standard was adopted from 1 July 2019. AASB 15 establishes a comprehensive five-step framework for recognising revenue. AASB 15 applies to all revenue arising from contracts with customers, unless those contracts are in the scope of other standards. Under AASB 15, revenue is recognised when a performance obligation has been satisfied at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The standard requires entities to exercise judgment, taking into consideration all the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard introduced a new contract-based revenue recognition

model with a measurement approach that is based on an allocation of the transaction price. This is described further in the accounting policies below. Contracts with customers are presented in the statement of financial position as a contract liability, a contract asset, or a receivable, depending on the relationship between the entity's performance and the customer's payment. Customer acquisition costs and costs to fulfil a contract can, subject to certain criteria, be capitalised as an asset and amortised over the contract period.

AASB 1058 Income of Not-for-Profit Entities (effective 1 July 2019)

The Council has adopted AASB 1058 from 1 July 2019. The standard replaces AASB 1004 'Contributions' in respect to income recognition requirements for not-for-profit entities. The timing of income recognition under AASB 1058 is dependent upon whether the transaction gives rise to a liability or other performance obligation at the time of receipt. Income under the standard is recognised where: an asset is received in a transaction, such as by way of grant, bequest or donation; there has either been no consideration transferred, or the consideration paid is significantly less than the asset's fair value; and where the intention is to principally enable the entity to further its objectives. For transfers of financial assets to the entity which enable it to acquire or construct a recognisable non-financial asset, the entity must recognise a liability amounting to the excess of the fair value of the transfer received over any related amounts recognised. Related amounts recognised may relate to contributions by owners, AASB 15 revenue or contract liability recognised, lease liabilities in accordance with AASB 16, financial instruments in accordance with AASB 9, or provisions in accordance with AASB 137. The liability is brought to account as income over the period in which the entity satisfies its performance obligation. If the transaction does not enable the entity to acquire or construct a recognisable non-financial asset to be controlled by the entity, then any excess of the initial carrying amount of the recognised asset over the related amounts is recognised as income immediately. Where the fair value of

volunteer services received can be measured, a private sector not-for-profit entity can elect to recognise the value of those services as an asset where asset recognition criteria are met or otherwise recognise the value as an expense.

Impact of adoption – AASB 15 and AASB 1058

AASB 15, and AASB 1058 were adopted using the modified retrospective approach and as such comparatives have not been restated.

The impact of adoption on opening accumulated funds as at 1 July 2019 was as follows:

	1 July 2019
Revenue :	
Bequest funds (Funds held in trust)	8,431,271
	<hr/>
Impact on opening accumulated funds as at 1 July 2019	<u>8,431,271</u>

The impact of the new Accounting Standards compared with the previous Accounting Standards on the current reporting period is as follows:

	New \$	Previous \$	Difference \$
<i><u>Statement of comprehensive income</u></i>			
Fundraising and donations	9,632,854	9,775,326	(142,472)

Net assets	49,729,880	41,441,082	8,288,798

NOTES TO THE FINANCIAL STATEMENTS.

AASB 16 Leases (effective 1 July 2019)

The Council has adopted AASB 16 from 1 July 2019. The standard replaces AASB 117 'Leases' and for lessees eliminates the classifications of operating leases and finance leases. Except for short-term leases and leases of low-value assets, right-of-use assets and corresponding lease liabilities are recognised in the statement of financial position. Straight-line operating lease expense recognition is replaced with a depreciation charge for the right-of-use assets (included in operating costs) and an interest expense on the recognised lease liabilities (included in finance costs). In the earlier periods of the lease, the expenses associated with the lease under AASB 16 will be higher when compared to lease expenses under AASB 117. However, EBITDA (Earnings Before Interest, Tax, Depreciation and Amortisation) results improve as the operating expense is now replaced by interest expense and depreciation in profit or loss. For classification within the statement of cash flows, the interest portion is disclosed in operating activities and the principal portion of the lease payments are separately disclosed in financing activities. For lessor accounting, the standard does not substantially change how a lessor accounts for leases.

Impact of adoption – AASB 16

AASB 16 was adopted using the modified retrospective approach and, as such, the comparatives have not been restated. The impact of adoption on opening accumulated funds as at 1 July 2019 was as follows:

	1 July 2019
Operating lease commitments as at 1 July 2019 (AASB 117)	369,591
Operating lease options not recognised as commitments as at 1 July 2019	324,705
Operating lease commitments discount based on the weighted average incremental borrowing rate of 6% (AASB 16)	(51,753)
Right-of-use assets (AASB 16)	<u>642,543</u>
Lease liabilities – current (AASB 16)	44,647
Lease liabilities – non-current (AASB 16)	<u>577,622</u>
Adjustment to opening accumulated funds as at 1 July 2019	<u><u>20,274</u></u>

When adopting AASB 16 from 1 July 2019, the Council has applied the following practical expedients:

- applying a single discount rate to the portfolio of leases with reasonably similar characteristics;
- accounting for leases with a remaining lease term of 12 months as at 1 July 2019 as short-term leases;
- excluding any initial direct costs from the measurement of right-of-use assets;
- using hindsight in determining the lease term when the contract contains options to extend or terminate the lease; and
- assessed all contracts in our contracts register and determined not to apply AASB 16 to contracts that were not previously identified as containing a lease.

AASB 9 Financial Instruments (effective 1 July 2018)

The Council has adopted AASB 9 Financial Instruments (issued in July 2014) with the mandatory initial application date of 1 July 2018. The requirements of AASB 9 represents a significant change from AASB 139 Financial Instruments: Recognition and Measurement.

The nature and effect of the key changes to the Council's accounting policies resulting from its adoption of AASB 9 is summarised below.

Classification of financial assets and financial liabilities

AASB 9 contains three principle classification categories for financial assets: measure at amortised costs, Fair value through other comprehensive income (FVTOCI) and Fair value through profit or loss (FVTPL).

AASB 9 eliminates the previous AASB 139 categories of held to maturity, loans and receivables and available for sale financial assets.

For an explanation of how the Council classifies and measures the financial assets and accounts for related gains and losses under AASB 9, see the table below.

The adoption of AASB 9 has not had a significant effect on the Council's accounting policies for its financial liabilities.

Transition

Changes in accounting policies resulting from the adoption of AASB 9 (2014) have been applied retrospectively where applicable, except as described below.

The following assessments have been made based on the facts and circumstances that existed at the date of initial application being 1 July 2018: the election not to designate certain investments in equity instruments which are not held for trading, as at FVTOCI.

Classification of financial assets and financial liabilities on the date of initial application of AASB 9

The following table shows the original measurement categories under AASB 139 and the new measurement categories under AASB 9 for each class of the council's financial assets and financial liabilities as at 1 July 2018.

	Note	Original classification under AASB 139	New classification under AASB 9	Original carrying amount under AASB 139	New carrying amount under AASB 9
Financial Assets					
Cash and cash equivalents	7	Cash and Cash Equivalents	Amortised cost	3,000,047	3,000,047
Trade and other receivables	8	Loans and receivables	Amortised cost	1,696,340	1,696,340
Financial assets – current	14	Held-to-maturity	Amortised cost	3,584,595	3,584,595
Financial assets – non-current	14	Available for sale financial assets	Fair value through profit or loss (FVTPL)	29,038,649	29,038,649
Financial Liabilities					
Trade and other payables	15	Other financial liability	Other financial liability	16,375,800	16,375,800
Borrowings		Other financial liability	Other financial liability	26,572	26,572

NOTES TO THE FINANCIAL STATEMENTS.

Basis of Preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards- Reduced Disclosure Requirements, Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013, Part 5 of the Associations Incorporation Act 2015 (WA), Charitable Collections Act (1946) (WA) and the Charitable Collections Regulations (1947) (WA).

The financial report of the Council complies with all Australian equivalents to International Financial Reporting Standards ('AIFRS') in their entirety. Due to the application of Australian specific provisions for not-for-profit entities contained only within AIFRS, this financial report and notes thereto, are not necessarily compliant with International Financial Reporting Standards.

Reporting basis and conventions

The financial statements have been prepared on an accruals basis and is based on historical costs except for, where applicable, the revaluation of financial assets, for which the fair value basis of accounting has been applied.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Council's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Going concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Council has incurred a deficit of \$2,695,619 and had net cash outflows from operating activities of \$2,782,054 for the year ended 30 June 2020. As at that date, the Council had net current liabilities of \$1,406,065.

The Board believe that it is reasonably foreseeable that the Council will continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report as the Council could readily convert its non-current financial assets of \$28,291,439 as at 30 June 2020 into cash.

Significant accounting policies

The following is a summary of the significant accounting policies adopted by the Council in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue

External program funding

Revenue from government grants and external programs received under enforceable agreements, where there are sufficiently specific performance obligations imposed, is deferred until the obligations are satisfied. If the performance obligations are not sufficiently specific, revenue will be recognised upon receipt.

Capital grants are recognised as income when (or as) it satisfies its obligations under the transfer. Capital grants are types of grants where the Council receives a financial asset to acquire or construct a non-financial asset to identified specifications; retains control of the non-financial asset (i.e. for its own use); and the transaction is enforceable.

Fundraising and donations

Fundraising and donations revenue, comprising donations and fundraising revenue and bequests and legacies received, by their nature can only be recognised when they are recorded in the books of the Council. Bequests and legacies and donations are brought to account on a cash basis or, where they are received other than cash, according to the value of the bequest or donation when the ownership passes to the Council.

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the Council is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a

customer, the Council: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Other revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Dividend revenue is recognised when the Council has established that it has a right to receive a dividend.

(b) Allocation of expenses

The Council reports its expenditure on a functional basis and accordingly, classifies its expenditure to specific program services, which describe the Council's social service activities and supporting services. Additionally, there is an expense classification of Administration and Depreciation in respect of expenditure of an administrative and general nature that is incurred and is not identifiable with a single program but is indispensable to the conduct of those activities and to the Council's existence.

(c) Cash and other cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(d) Trade and other receivables

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

(e) Inventory

The inventory of retail stock has been valued at the lower of cost and net realisable value. Costs are assigned on the basis of average cost and include direct costs and appropriate overheads, if any. Expenditure on education publications is charged against revenue in the year of purchase.

(f) Investments and other financial assets

Impairment of financial assets

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless, an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the Council has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Financial assets at fair value through profit or loss

Financial assets not measured at amortised cost or at fair value through other comprehensive income are classified as financial assets at fair value through profit or loss. Typically, such financial assets will be either: (i) held for trading, where they are acquired for the purpose of selling in the short-term with an intention of making a profit, or

NOTES TO THE FINANCIAL STATEMENTS.

a derivative; or (ii) designated as such upon initial recognition where permitted. Fair value movements are recognised in profit or loss.

The Council recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the Council's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

For financial assets measured at fair value through other comprehensive income, the loss allowance is recognised within other comprehensive income. In all other cases, the loss allowance is recognised in profit or loss.

(g) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months

after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is current when: it is expected to be settled in the normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

(h) Properties held in trust

Properties held in trust principally comprise of freehold land and buildings that are not occupied by the Council, where title has been transferred through a bequest to the Council and the property is encumbered by a lifetime tenancy agreement. Any capital appreciation of the land and buildings is tied to the original bequest. Properties held in trust are stated at historical cost including transaction costs less any accumulated impairment. Where title of a property held in trust is transferred to the Council at no cost or for nominal cost, its cost shall be deemed to be its fair value as at the date of transfer. Properties held in trust are derecognised when disposed of or when there is no future economic benefit expected.

Transfers to and from properties held in trust to property, plant and equipment are determined by a change in use of owner-occupation. The fair value on the date of change of use from properties held in trust to property, plant and equipment are used as deemed cost for the subsequent accounting. The existing carrying amount of property, plant and equipment is used for the subsequent accounting cost of properties held in trust on the date of change of use.

(i) Property, Plant and Equipment

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation

Depreciation has been provided on property, plant and equipment so as to write off their value over the expected useful life of the assets. Depreciation is provided on all assets using the straight-line method.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Buildings	2% - 2.5%
Plant, equipment and motor vehicles	10% - 33%
Leasehold improvements	2%

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income.

(j) Right-of-use-assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct cost incurred, and except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying assets, and restoring the site or assets.

Right-of-use asset is depreciated on a straight line basis over the unexpired period of the lease or the estimated useful life of the assets, whichever is shorter. Where the Council expects to obtain ownership of the leased assets at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The council has elected not to recognise a right of use assets and corresponding lease liability for short term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred

(k) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(l) Trade and other payables

These amounts represent liabilities for goods and services provided to the Council prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

(m) Contract liabilities

Contract liabilities represent the incorporated association's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the incorporated association recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the incorporated association has transferred the goods or services to the customer.

(n) Provisions -employee entitlements

Provision is made for the Council's liability for employee entitlements arising from services

NOTES TO THE FINANCIAL STATEMENTS.

rendered by employees to reporting date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries and annual leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Council to an employee superannuation fund and are charged as expenses when incurred.

(o) Lease liability

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, Council's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentive receivables, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payment arising from a change in an index or a rate; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right of use assets, or to profit or loss if the carrying amount of the right-of-use assets is fully written down.

(p) Fund accounting

On occasions, the Council may receive resources restricted for particular purposes. To facilitate observance of these limitations, the financial

report lists separately those funds which are restricted or designated and those funds which are unrestricted.

- Restricted funds are those funds presently available for use, but expendable only for operating purposes specified by the donor or by statute. When the Board specifies a purpose for the expenditure of funds, where none has been stated by the original donor, such funds are classified as designated funds.
- Unrestricted funds are those funds presently available for use by the Council at the discretion of the Board.

(q) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(r) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Council for the annual reporting period ended 30 June 2020.

2. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The Board evaluates estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Council.

Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the incorporated association based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the incorporated association operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the incorporated association unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

Grant income received

The interaction between AASB 15 and AASB 1058 requires the management to assess whether the government grants and other funding received need to be accounted for under AASB 15 or AASB 1058. Key to this assessment is whether the government grants and other funding agreements contain:

- a contract with a customer that creates 'enforceable' rights and obligations, and
- the contract includes 'sufficiently specific' performance obligations.

Critical judgement was applied by management in assessing whether a promise is 'sufficiently specific', taking into account all facts and circumstances and any conditions specified in the arrangement (whether explicit or implicit) regarding the promised goods or services, including conditions regarding:

- the nature or type of the goods or services
- the cost or value of the goods or services
- the quantity of the goods or services
- the period over which the goods or services must be transferred.

Deemed cost of properties held in trust acquired at no or nominal cost

A critical judgement that management has made in the process of applying the accounting policies, and that has a significant effect on the amounts recognised in the financial statements, is in relation to where a property held in trust is acquired at no cost or for nominal cost. The Council is required to determine the deemed cost based on the assets fair value as at the date of acquisition. The Council has determined the fair value based on inputs other than quoted prices that are observable for the asset either directly or indirectly. Considerable judgement is required to determine what is significant to fair value.

Allowance for expected credit losses

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include historical collection rates.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The Council assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the Council and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

3. INCOME TAX

The Council is exempt from income tax under the provisions of Section 50-5 of the Income Tax Assessment Act 1997.

NOTES TO THE FINANCIAL STATEMENTS.

30 June 2020 \$

30 June 2019 \$

4. REVENUE

(a) Fundraising and donations

Fundraising	1,695,786	5,949,198
Donations	5,327,027	3,845,902
Bequests	2,610,041	4,782,743
	9,632,854	14,577,843

(b) External program funding

State Government contracts	8,557,449	9,787,880
Healthway contracts	1,952,055	774,949
Other external contracts	343,095	318,881
	10,852,599	10,881,710

5. EXPENDITURE

(a) Prevention and Education

Cancer Council undertakes a variety of Public education campaigns designed around health promotion awareness particularly in relation to incidence of cancer. These costs represent direct campaigns, publications, education sessions and a proportion of indirect administration and facility costs. Majority funding is sourced from Government contracts (refer note 4) and a contribution from the net proceeds of community fundraising.

6. DEFICIT FROM OPERATIONS

(a) Deficit from operations has been determined after:

Depreciation	1,254,998	1,508,378
Employee expenses	12,332,640	11,824,510
Interest expense	34,747	-
Operating lease	-	90,951

(b) Significant revenues and expenses

The following revenue and expense items are relevant in explaining the financial performance:

Bequests (amounts greater than \$350,000):

Estate of Sandra Helen O'Keefe	463,822	-
Estate of Jose Prieto Rivas	-	1,097,189
Estate of Yvonne Wild	-	530,544
Estate of Ian Gordon Atkins	-	358,000
	463,822	1,985,733

(c) Surplus on sale of non-current assets

Proceeds from sale of non-current assets	28,638	-

Land and buildings included at a cost of:

\$8,556,529 (2019: \$8,556,529), the Shenton Park site's buildings and improvements. The Shenton Park buildings and grounds are situated on land held under conditional tenure which states that the land cannot be sold or encumbered without ministerial approval. Should the minister deem that the land is no longer being used for the specific purposes outlined in the management order, then the land could be forfeited to the Government.

\$7,632,377 (2019: \$7,632,377), the Nedlands site's building and improvements. Crawford Lodge is situated on land owned by the Queen Elizabeth II Medical Centre Trust, that the Council is leasing for a peppercorn annual \$1 rental, for a 50 year period, expiring 31 December 2048.

\$16,675,496 (2019: \$16,675,496), relates to the Council's office accommodation located at 420 Bagot Road, Subiaco.

Capital Works In Progress is included at a carrying value of nil (2019: \$21,099, representing air-conditioning works in progress at the Nedlands offices).

	540,767	-
Total Right-of-use assets	540,767	-

The Council leases land and buildings for regional offices and its retail outlet under agreements of between one and ten years with, in some cases, options to extend.

On renewal, the terms of the leases are renegotiated. The Council also leases office plant and equipment and motor vehicles under agreements of less than six years.

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost plus an estimate of make good costs at the lease termination.

NOTES TO THE FINANCIAL STATEMENTS.

30 June 2020 \$ 30 June 2019 \$

18. RESERVES

(a) Research Commitment Reserves

Research grants and fellowships

Commitments contracted for at the reporting date, but not recognised as liabilities are as follows:

	2 to 5 Years	2 to 5 Years
Research Equipment Grants	500,000	-
Research Fellowship Grants	787,500	1,212,500
Research Project Grants	-	3,000
Research Program Grants	1,093,224	1,080,041
	2,380,724	2,295,541

Research project, program and fellowship grants

Liabilities for research project, program and fellowship grants ('grants') are recognised when the Council has a present or constructive obligation as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and the amount can be reliably estimated.

The Council has determined that it has a constructive obligation and has recognised as a liability the share of grants that are contracted and expected to be settled within 12 months from the reporting date.

The Council has also determined that the share of grants that are contracted and expected to be settled greater than 12 months from the reporting date are subject to performance conditions required by the grant recipient to activate a constructive obligation. Accordingly, these amounts are not recognised as a liability and are disclosed as grant commitments.

(b) Designated Reserves

	Special Funds	Research Fund Reserve	Other Restricted Funds	Total
	\$	\$	\$	\$
Opening Balance 1 July 2019, restated	1,685,378	3,929,030	2,816,863	8,431,271
Transfers (to)/from accumulated funds	(713)	126,371	(268,131)	(142,473)
Closing Balance 30 June 2020	1,684,665	4,055,401	2,548,732	8,288,798

Special funds

Special funds are donations or bequests received with a condition that the funds be invested and only the income used for specific purposes.

Research Fund Reserve

The research fund reserve was created as a result of donor or bequest funding restricted in application to the purposes of nominated research topics. The restrictions apply to both capital and income.

Other Restricted Funds

Other restricted funds are donations or bequests received for specific projects which are ongoing or yet to be completed.

	Note	30 June 2020 \$	30 June 2019 \$
(c) Property Plant and Equipment Reserves			
Restricted by statute	12	6,602,326	7,020,434
Designated by Council	12	15,768,158	16,036,318
Property held in trust	11	650,000	650,000
		23,020,484	23,706,752
Research commitment reserves	18(a)	2,380,724	2,295,541
Designated reserves	18(b)	8,288,798	-
Total reserve		33,690,006	26,002,293

19. REMUNERATION OF AUDITORS

The following fees were paid or payable for services provided by RSM Australia Pty Ltd, the auditor of the Council:

Audit services

Audit of the financial statements	30,500	30,000
Other audit services	2,500	-
	33,000	30,000

20. KEY MANAGEMENT PERSONNEL DISCLOSURE

Members of the Board serve in a voluntary capacity and are not remunerated. Below is the aggregate compensation made to directors and other members of key management personnel of the Council:

Short-term employee benefits	951,532	939,617
Post-employment benefits	80,422	78,959
	1,031,954	1,018,576

NOTES TO THE FINANCIAL STATEMENTS.

21. RELATED PARTY TRANSACTIONS

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no receivables from or payables to related parties at the current and previous reporting date.

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

22. FAIR VALUE MEASUREMENTS

Fair value hierarchy

The following tables detail the Council's assets and liabilities, measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: Unobservable inputs for the asset or liability

30 June 2020	Note	Level 1	Level 2	Level 3	Total
		\$	\$	\$	\$
Assets					
Financial assets – at fair value though profit or loss	14	28,291,439	-	-	28,291,439
Total assets		28,291,439	-	-	28,291,439

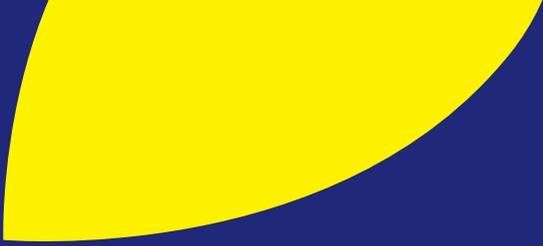

30 June 2019	Note	Level 1	Level 2	Level 3	Total
		\$	\$	\$	\$
Assets					
Financial assets – available-for-sale	14	29,970,993	-	-	29,970,993
Total assets		29,970,993	-	-	29,970,993

23. CONTINGENT LIABILITIES

The Council has no contingent liabilities as at 30 June 2020 (2019 Nil).

24. EVENTS AFTER THE REPORTING PERIOD

No matter or circumstance has arisen since 30 June 2020 that has significantly affected, or may significantly affect the Council's operations, the results of those operations, or the Council's state of affairs in future financial years.

AUDITOR'S INDEPENDENCE DECLARATION

As lead auditor for the audit of the financial report of Cancer Council Western Australia Inc. for the year ended 30 June 2020, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CANCER COUNCIL WESTERN AUSTRALIA INC.**

Qualified Opinion

We have audited the financial report of Cancer Council Western Australia Inc., (the 'Council'), which comprises the statement of financial position as at 30 June 2020, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by the Board.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* paragraph, the financial report of Cancer Council Western Australia Inc., has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Council's financial position as at 30 June 2020 and of its financial performance and cash flows for the year ended on that date; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Qualified Opinion

Fundraising and donations are significant sources of revenue for the Council and is derived from a range of sources including cash donations. The Council has determined that it is impracticable to establish control over the collection of fundraising and donations prior to entry into its financial records, which is common for charitable organisations and consistent with prior periods. Accordingly, as the evidence available to us regarding revenue from these sources was limited, our audit procedures with respect to fundraising and donations had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether revenues from fundraising and donations are complete.

We conducted our audit in accordance with Australian Auditing Standards – Reduced Disclosure Requirements. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

INDEPENDENT AUDITOR'S REPORT.

Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the Council's Annual Report for the year ended 30 June 2020 but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The Board of the Council are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Board determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board of the Council is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

Report on the requirements of the Charitable Collections Act (1946) (WA) and the Charitable Collections Regulations (1947) (WA)

Opinion

We have audited the financial report of the Association, as required by the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*.

In our opinion:

- (a) The financial report of the Council has been properly prepared, and the associated records have been properly kept for the year ended 30 June 2020, in accordance with the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*; and
- (b) Funds received as a result of fundraising activities conducted during the year ended 30 June 2020 have been properly accounted for and applied in accordance with the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*;

Auditor's Responsibilities

Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising activities pursuant to the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instances of non-compliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

Perth, WA
Dated: 24 September 2020

STATEMENT BY THE BOARD.

In the opinion of the Board of Cancer Council Western Australia Inc. (the Council):

1. The attached financial statements and notes comply with the Australian Charities and Not-for-profits Commission Act 2012, the Australian Accounting Standards– Reduced Disclosure Requirements, the Associations Incorporation Act 2015 (WA), and Charitable Collections Act 1946 (WA) and associated regulations and other professional reporting requirements;
2. The attached financial statements and notes gives a true and fair view of the financial position of the Council as at 30 June 2020 and its performance for the financial year ended;
3. The operations of the Council have been carried out in accordance with the Constitution and Rules of the Council; and
4. At the date of this statement there are reasonable grounds to believe that the Council will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board by:

RUTH SHEAN

President

PINA CAFFARELLI

Chair Finance Committee

22nd day of September 2020

FREQUENTLY ASKED QUESTIONS.

How much income was generated in 2019 - 2020?

Total operating income for the year ending 30 June 2020 from all of our activities was \$23.5 million.

What were the main sources of income in 2019 - 2020?

Community and fundraising events, donations and bequests raised over \$9.6 million this financial year, accounting for 40.9% of operating income. Other significant revenues were sourced from grants for cancer education and prevention programs, from reimbursements from the Patient Assisted Travel Scheme and from investments.

What income or support do you receive from the government?

We do not receive any direct funding from the government for our cancer information and support services. We receive grants from the government to run specific programs in the area of health promotion, cancer prevention and health professional education. This grant income allows us to run large-scale campaigns such as Make Smoking History, SunSmart and LiveLighter. These campaigns are often run in partnership with other health organisations to maximise impact.

How much did it cost to operate the organisation this year?

We spent \$27 million on operational expenses this year, with over \$21 million of this allocated to our research, education and prevention programs, and our cancer information and support services.

How much did you spend on research, and how do you decide what to fund?

This financial year we invested \$2.2 million in funding and administering cancer research projects. We decide which grant applications to fund through a strict peer review process.

Each grant application is evaluated by our Research Grants Advisory Committee or by one of its Subcommittees, which include locally and internationally recognised researchers, as well as trained consumer representatives.

The role of our Committee and its Subcommittees is to assess and recommend proposals for funding on the basis of their scientific quality, and to ensure the research we fund is relevant to our community and meets their needs. This competitive structure enables us to direct funding to the most promising research conducted across a range of institutes and universities, wherever the best research occurs. Our Research Committees generously volunteer their time, knowledge and expertise.

What do your administration costs include?

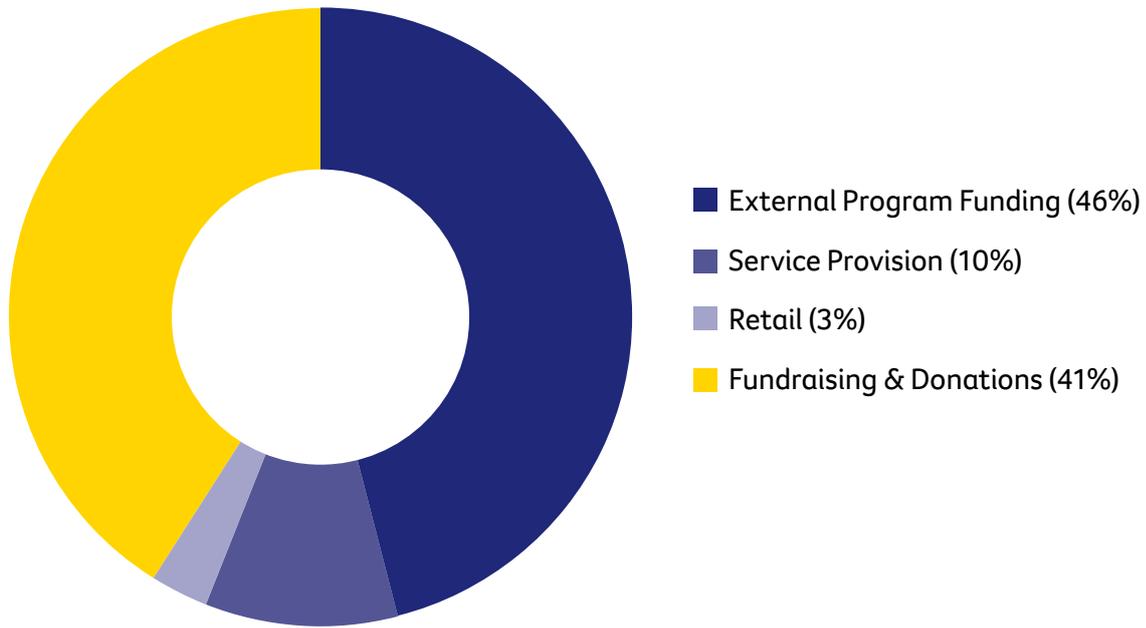

Our administration costs include accounting, occupational health and safety, human resource management, donations processing, contracts administration, and information technology. These costs enable us to run all aspects of our organisation effectively and accountably.

Efficient infrastructure underpins all areas of our work including our cancer support services, our cancer prevention programs, and our research funding program. These frameworks also ensure that our fundraising activities are absolutely transparent. As a non-profit organisation, we are committed to keeping these costs as low as possible; however, it is essential we have the highest standards of accountability and transparency, and we make the necessary investment to ensure these obligations are met.

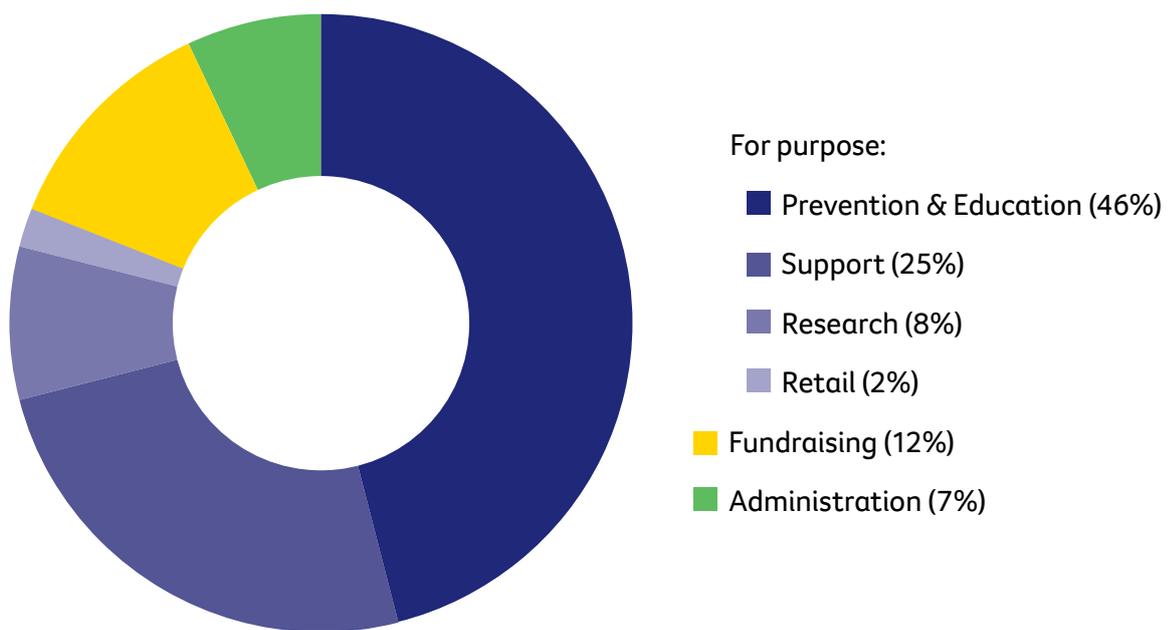

Who decides where Cancer Council WA spends its money?

The Board and the Executive approve a complete financial plan each year, which has been developed by Cancer Council WA staff. Quarterly performance against this plan is reported to the Finance Committee, a subcommittee of the Board. Our Board and Finance Committee generously volunteer their time, knowledge and expertise.

OUR BOARD.

Dr Ruth Shean - President and Chair

Appointed May 2019

Ruth worked with the WA Government for 18 years as Director General of the Department of Training and Workforce Development, the Disability Services Commission and the Department for Community Development. She was Commissioner for Public Sector Standards, the government watchdog which oversaw standards within the public sector and assisted with the appointment of government CEOs. Prior to joining government, she was CEO of the Cerebral Palsy Association of WA and Executive Officer of the Australian Council on Smoking and Health. Ruth has held leadership positions on reviews and committees for both state and federal government. She has experience in university governance, having been on governing councils of both Curtin and Murdoch Universities, where she was Pro Chancellor. Ruth has a Master's Degree and a Doctorate of Philosophy from The University of Western Australia. She is a Fellow of the Governance Institute of Australia and the Australian Institute of Company Directors, and is Chair of the National Centre for Vocational Education Research.

Matt Kelly - Vice-President

Appointed March 2010

Matt is a partner with KPMG. He began his career at KPMG in London in 1991 before qualifying as Chartered Accountant in 1994 and transferring to Australia in 2000. His work involves due diligence on and for companies, Government departments, private equity firms and banks. Matt has a BSc (Hons) in Business Administration from the University of Bath and is a Member of the Australian Institute of Company Directors, the Institute of Chartered Accountants in Australia and the Institute of Chartered Accountants in England and Wales. He is also a strong supporter of Youth Focus and has ridden from Albany to Perth on the Ride for Youth every year since 2010.

Pina Caffarelli

Appointed October 2009

Pina's professional career spans over almost 30 years in the accounting and taxation industry. She commenced public practice at Ernst and Young where she qualified as a chartered accountant. In 1989, she set up her own boutique specialist accounting and tax practice known as Caffarelli and Associates providing various services to clients including taxation, accounting, auditing and specialist advice for small business and the not for profit sector. She is also a Chartered Tax Advisor (Taxation Institute) and a Fellow of the Chartered Accountants in Australia and NZ and is a member of the Australian Institute of Company Directors. She currently chairs our Finance Committee. Pina has held various board positions over the last 25 years, currently holding board positions in the area of arts and sport.

Suzanne Ardagh

Appointed September 2014

Suzanne is a management executive and business leader with more than 30 years' experience. Her career has spanned diplomacy, corporate affairs, tertiary education and membership associations. She has an extensive background in business strategy, marketing, communications, international affairs and corporate governance. She has lived and worked in Europe, Latin America and South East Asia, where she established the international arm of the Australian Institute of Company Directors. As a Director, Suzanne has served on both international and national Boards in the health sector, international aid development and the arts over the past 15 years.

Gavin Bain

Appointed September 2016

Gavin is charged with leading the success of the 50 strong team at Wunderman Thompson in Perth and is responsible for relationship management, growth and the ongoing development of staff. With over 20 years in senior roles at creative agencies, and 15 years in client side roles, Gavin has led the evolution of businesses, he has led from advertising to integrated growth consultancies in the communications space. Known for leading businesses with a strong talent and cultural framework, Wunderman Thompson's success is underpinned by Gavin's approach to building team structures that deliver outstanding results. Gavin is also a Board member of the Advertising Institute of Australia.

Cheryl Chan

Appointed November 2016

Cheryl has over 15 years' experience as a lawyer, specialising in employment and discrimination law, and has worked across a number of different industries such as oil and gas, retail, financial services, health, education and government. She has worked in Perth, Melbourne and London and has managed numerous high profile mergers, acquisitions and divestments, regulatory investigations, employment and discrimination issues and litigation and industrial relations issues. She is currently responsible for all legal issues relating to staff across the Asia Pacific region for a global oil and gas company. Cheryl also chairs an independent public school board and has previously served on the board of 100 Women and the Inner North Community Foundation. In 2017, she was selected as a participant in the Australian Institute of Company Directors - Director Pipeline Project. In 2019, Cheryl was named Woman Lawyer of the Year by the Women Lawyers of WA Incorporation. Cheryl's skills include strategy, change management, mergers and acquisitions, corporate governance and risk management, crisis management, legal, industrial relations and leadership.

OUR BOARD.

Professor Cobie Rudd

Appointed May 2018

Cobie is the Deputy Vice-Chancellor (Strategic Partnerships) and Vice-President at Edith Cowan University. Previously, she was ECU's Pro-Vice-Chancellor (Health Advancement), Professor of Mental Health and one of five National Teaching Fellows appointed by the Australian Government Office for Learning and Teaching in 2011; the first in simulation. She now also leads gender equity in academia for ECU and is actively addressing the gender imbalance in science, technology, engineering and mathematics. Cobie has over 30 years of experience across sectors and has served on over 15 boards of governance; including two international boards. She currently holds a Cabinet-endorsed appointment to the State Training Board. Cobie is a Graduate of the Australian Institute of Company Directors and has a clinical background as a Registered Nurse.

Giacomo Alampi-Sottini

Appointed May 2018

Giacomo is an executive leader who specialises in technology strategy and digital transformation. His most recent roles include Manager Technical Services and Manager Technology Design & Architecture at BHP following a successful transition from the finance sector where he led the development and deployment of Online Banking Systems for Bankwest. He has 10+ years of management experience, with a strong technical and financial background, currently managing the technology design of the BHP Iron Ore production systems portfolio. Giacomo has led cultural change and introduced key new technologies in all previous organisations as well as built and managed high-performing teams. He is proficient at navigating an always-evolving technology landscape and competing business priorities, creating the conditions for successful delivery of complex initiatives.

Dr Paul Cannell

Appointed May 2016

Paul graduated from The University of Western Australia in 1981. He trained as a Haematologist in Perth and spent two years post fellowship in the Haematology Department at the Royal Free Hospital in London working as a Research Fellow in the department of Professor Victor Hoffbrand. He was appointed as a Consultant Haematologist to Royal Perth Hospital in 1993. He was appointed as Head of Service in 2005 and continued in this position until transferring to Fiona Stanley Hospital in 2014 where he holds the posts including Co-Director of Medical and Surgical Specialties and Discipline Lead for PathWest Haematology. He continues to practice as a clinician with particular interest in haematologic malignancy and bone marrow transplantation.

Tracie Clark

Appointed December 2018

Tracie is an accomplished adviser and investment professional with 23 years' experience in Investment Management, Financial Services, Accounting and Business Strategy. Currently the Investment Director of a private investment company, Tracie has founded two successful Financial Services businesses, worked in senior leadership teams and as a consultant. Through her career she has developed strong industry knowledge across a variety of sectors including finance, medical technologies and retail. Tracie has a Bachelor of Commerce (Accounting and B Law) is a Certified Practising Accountant and a graduate of the Australian Institute of Company Directors. She is a member of our Finance committee, Vice chair of Perth Investment Angels, and a mentor for the CSIRO On Accelerate program. She is heavily involved in Perth's Start-up community and has a passion for supporting innovation and mentoring future entrepreneurs.

Prof Ruth Ganss

Appointed November 2019

Ruth is the Scientific Head of the Cancer Division at the Harry Perkins Institute of Medical Research and holds a professorial appointment at the University of Western Australia. Her own research group at the Perkins has a strong focus on cancer, the tumour microenvironment and immunotherapy. Ruth obtained her PhD at the University of Heidelberg in 1994 and, over the last 20 years, has conducted internationally competitive cancer research in Germany, the US and Australia. From 2008-2012, Ruth was the inaugural Cancer Council WA Research Fellow, has served for 10 years on the Cancer Council WA Research Committee and, in 2014, received the inaugural Cancer Council WA Cancer Researcher of the Year Award. She has held leadership positions in national and international research committees. Ruth is a Member of the Senior Faculty at the Harry Perkins Institute which provides strategic advice to the Director and Board, and also serves on the Board of the Cancer Research Trust in WA.

Prof Anna Nowak

Appointed March 2020

Anna is a medical oncologist at Sir Charles Gairdner Hospital and a Professor within the School of Medicine at the University of Western Australia. Anna treats and researches two invariably fatal cancer types: mesothelioma, and malignant brain tumours. Since 2018, Anna has been the Director of the National Centre for Asbestos Related Diseases (NCARD), an NHMRC Centre for Research Excellence based at UWA. With a research team of around 35, NCARD has an international reputation for mesothelioma immunology, biomarkers, and translational clinical trials. Anna also has a leadership role in brain tumour research, and since 2017 has been the Chair of the CoOperative trials Group for NeuroOncology (COGNO), the national brain tumour clinical trials group. As well as her medical qualifications, Anna holds a PhD in tumour immunology, and completed a post-doctoral fellowship in clinical trials and quality of life research, giving her a unique translational perspective with expertise in laboratory science, clinical trials, patient-rated outcomes and quality of life. Anna is passionate about patient-doctor communication, mentoring, and women in oncology and science.

RESEARCH PROGRAM SUPPORTERS 2020.

We are committed to funding research that enables us to target cancer from every angle. This includes prevention, detection and treatment, as well as improving the emotional and social impact of cancer. We support projects with the potential to translate into practice and that result in real improvements for West Australians. Thanks to our generous donors, we are the largest charitable funder of cancer research in Western Australia. This year's projects were proudly supported by:

Australia Post	Estate of Anthony Martin
