General Information

The financial report covers Cancer Council Western Australia Inc. (the Council) as an individual entity. The financial statements are presented in Australian dollars, which is the Council’s functional and presentation currency.

The financial statements were authorised for issue on 21 September 2021.

MESSAGE FROM OUR CEO AND PRESIDENT.

Every day, 36 West Australians are diagnosed with cancer. But, together with our loyal and committed volunteers and supporters, we are determined to change that.

As a community-funded organisation, Cancer Council Western Australia relies on your support to deliver our work across every aspect of every cancer. Throughout what has been another uncertain year in a global pandemic, we have continued to be inspired by the generosity and passion of the Western Australian community. It is only thanks to your support that we are able to continue delivering our cancer prevention programs, funding local world-class research, providing support to West Australians affected by cancer and advocating for change.

Prior to the 2021 State election, we launched our Cancer Priority #1 Manifesto, calling on the next State Government to make cancer its number one priority. More than 7300 people signed our petition, supporting our call for action on six of the most important areas of cancer control. While our voices were heard and both major parties agreed to elements of our cancer priorities, there is still more to be done in holding the Government to account. That's why we will continue to speak out on your behalf and advocate for better cancer outcomes until cancer can be stopped.

September 2020 marked the 20-year anniversary of our flagship tobacco control program, Make Smoking History. We also launched the graphic Voice Box advertising campaign, successfully raising awareness of cancers caused by smoking. Thanks to our supporters, the State Government and Healthway, we've been able to drive down the West Australian adult smoking rate from 22.5 per cent in the year 2000 to 11.5 per cent in 2018. This demonstrates the powerful impact of advocacy and prevention.

It is a sobering fact that people living in regional Western Australia have lower rates of five-year cancer survival for all cancers combined. In 2021, we worked to highlight this fact and reduce the discrepancy by launching our Find Cancer Early Regional Champions campaign. The campaign aimed to raise awareness of cancer symptoms and motivate regional West Australians to seek medical advice earlier.

Furthering our work in regional communities, we also re-opened a standalone Cancer Council WA Midwest Regional Centre in Geraldton, after 15 years being collocated within the Geraldton Regional Hospital. With increased visibility in the community, Cancer Council WA can engage even further and continue to work towards ensuring a post code does not define cancer outcomes for our fellow West Australians.

We have also continued to be there when we are needed most. More than 32,000 West Australians affected by cancer accessed our critical support services such as our 13 11 20 Cancer Information and Support Line, Wig Service and Cancer Council Lodges, throughout the year.

But none of this would be possible without the generosity, support, and dedication of our Cancer Council WA community. On behalf of Cancer Council WA's board, staff and volunteers, thank you for sharing in our vision of a future without cancer

Ashley Reid
Chief Executive Officer

Our CEO Ashley Reid with President Dr Ruth Shean

2020-21 Highlights.

5550

contacts were received by **13 11 20**, our **cancer information and support line**.

1377

counselling sessions were provided at no cost to **775 people** affected by cancer.

\$222,524

in financial hardship payments were made to **907 people** experiencing hardship while undergoing cancer treatment.

1997

wigs, turbans, hats and scarves were provided to **795 cancer patients** at no cost by our **Wig Service**.

236

cancer patients and their carers received assistance from our **practical support services**.

4943

country cancer patients and their carers checked into our **Crawford and Milroy accommodation Lodges** to access treatment in Perth.

229

patients and their carers attended our **Life Now Mind and Body courses** at no cost.

346

patients were provided with **pro bono legal, financial and workplace advice**.

1704

Transport to Treatment trips were provided from our Crawford and Milroy Lodges at no cost to regional cancer patients and their carers.

3281

hours of driving were contributed by **18 volunteer drivers** for Transport to Treatment from our Lodges.

1710

health professionals, palliative care volunteers and Cancer Council WA staff took part in **89 Palliative and Supportive Care Education events.**

2772

hours were contributed by **volunteers** supporting cancer patients across the state.

4885

country cancer patients and their carers received support from our **regional Cancer Support Coordinators.**

69,030

cancer information **publications** were distributed to cancer patients, carers and clinics.

\$648,057

was raised by **2938 participants in Relay For Life events** across WA.

\$226,155

was raised for our **Daffodil Day Appeal** across the state.

\$1,330,202

was raised by **1694 Australia's Biggest Morning Tea hosts.**

403 community fundraisers raised

\$694,395

\$702,139

was raised through **four Cancer Council WA Raffles.**

2020-21 Highlights.

We allocated over
\$2.1m
 to support over **80 local cancer researchers** across more than **40 projects**.

Funding for cancer research was awarded to **4 WA universities**, involving **6 WA research institutes** and **4 WA hospitals**.

\$500,000

was contributed to the **Western Australian National Imaging Facility Node** for human imaging equipment critical for running clinical trials and to develop advanced imaging strategies.

39

bowel cancer screening community talks were delivered.

130

Find Cancer Early presentations were delivered by our **Regional Education Officers** to regional community groups.

373

GPs and other health professionals increased their cancer knowledge via our **GP cancer education project**.

1297

clinicians, nurses and health professionals working in oncology took part in **29 cancer education events** provided by the **Western Australian Clinical Oncology Group (WACOG)**.

Make Smoking History celebrated

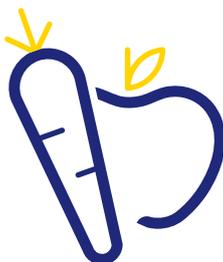

20 years

and **55 waves of mass media campaigns**. To mark the occasion the Voice Box Campaign aired in late 2020 and early 2021; **73 per cent of people found the ad convincing**.

30,261

students from **133 schools** participated in **The Great Vegie Crunch**.

17,983 students, across 640 classrooms at 157 schools ate vegetables during **March Munch**.

Over

140,000

WA primary school students participated in **daily Crunch&Sip® breaks**.

The Crunch&Sip® team delivered **Packed with Goodness** sessions in **52 regional towns**.

699,824

people globally spent a total of **29,066 hours (or 1211 days)** on the **LiveLighter® website**.

56,189

LiveLighter® resources were distributed in WA.

Nearly

11,000

teachers and child care educators completed the national **Generation SunSmart online professional learning modules**.

216,399

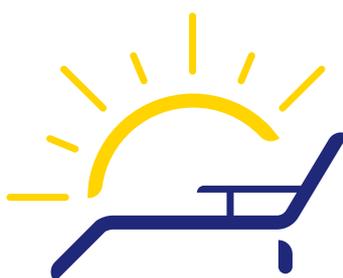

people globally, including **132,994 from WA**, completed one of the **LiveLighter® health calculators**.

A partnership with Curtin University saw the **10th year of the SunSmart Fashion Project**, with students designing a **sun protective garment** to show that sun protection and style can go hand in hand.

The **SunSmart van** attended

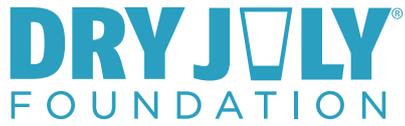

30

community and sporting events to **promote sun protective behaviours**.

The summer of 2020-21 saw the third and final broadcasting of the **“Don’t let the sun see your DNA”** mass media campaign with **over 70 per cent of the audience finding it personally relevant**.

NOTES TO THE FINANCIAL STATEMENTS.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

Cancer Council Western Australia Inc. (the Council) has adopted all new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

There were no new Accounting Standards or Interpretations within the reporting year.

Basis of preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013, Part 5 of the Associations Incorporation Act 2015 (WA), Charitable Collections Act (1946) (WA) and the Charitable Collections Regulations (1947) (WA).

The financial report of the Council complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety where possible. However, due to the application of Australian specific provisions for not-for-profit entities, these financial statements and notes thereto, are not necessarily compliant with International Financial Reporting Standards.

Reporting basis and conventions

The financial statements have been prepared on an accruals basis and are based on historical costs except for, where applicable, the revaluation of financial assets, for which the fair

value basis of accounting has been applied.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Council's accounting policies.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Significant accounting policies

The following is a summary of the significant accounting policies adopted by the Council in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue

External program funding

Revenue from government grants and external programs received under enforceable agreements, where there are sufficiently specific performance obligations imposed, is deferred until the obligations are satisfied. If the performance obligations are not sufficiently specific, revenue will be recognised upon receipt.

Capital grants are recognised as income when (or as) it satisfies its obligations under the transfer. Capital grants are types of grants where the Council receives a financial asset to acquire or construct a non-financial asset to identified specifications, retains control of the non-financial asset (i.e. for its own use), and the transaction is enforceable.

Fundraising and donations

Fundraising and donations revenue, comprising donations and fundraising revenue and bequests and legacies received, by their nature can only be recognised when they are recorded in the books of the Council. Bequests and legacies and donations are brought to account on a cash basis or, where they are received other than cash, according to the value of the bequest

or donation when the ownership passes to the Council.

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the Council is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the Council: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Other revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Dividend revenue is recognised when the Council has established that it has a right to receive a dividend.

(b) Allocation of expenses

The Council reports its expenditure on a functional basis and accordingly classifies its expenditure to specific program services which describe the Council's social service activities and supporting services. Additionally, there is an expense classification of Administration and Depreciation in respect of expenditure of an administrative and general nature that is incurred and is not identifiable with a single

program but is indispensable to the conduct of those activities and to the Council's existence.

(c) Cash and other cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(d) Trade and other receivables

Trade and other receivables are recognised at amortised cost, less any allowance for expected credit losses.

(e) Inventory

The inventory of retail stock has been valued at the lower of cost and net realisable value. Costs are assigned on the basis of average cost and include direct costs and appropriate overheads.

(f) Investments and other financial assets

Impairment of financial assets

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets which are measured at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification.

Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the Council has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, the carrying value is written off.

NOTES TO THE FINANCIAL STATEMENTS.

Financial assets at fair value through profit or loss

Financial assets not measured at amortised cost or at fair value through other comprehensive income are classified as financial assets at fair value through profit or loss. Typically, such financial assets will be either: (i) held for trading, where they are acquired for the purpose of selling in the short-term with an intention of making a profit, or a derivative; or (ii) designated as such upon initial recognition where permitted. Fair value movements are recognised in profit or loss.

The Council recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the Council's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12 month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

For financial assets measured at fair value through other comprehensive income, the loss allowance is recognised within other comprehensive income. In all other cases, the loss allowance is recognised in profit or loss.

(g) Current and non-current classification

Assets and liabilities are presented in the Statement of Financial Position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is current when: it is expected to be settled in the normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

(h) Properties held in trust

Properties held in trust principally comprise of freehold land and buildings that are not occupied by the Council, where title has been transferred through a bequest to the Council and the property is encumbered by a lifetime tenancy agreement. Any capital appreciation of the land and buildings is tied to the original bequest. Properties held in trust are stated at historical cost including transaction costs less any accumulated impairment. Where title of a property held in trust is transferred to the Council at no cost or for nominal cost, its cost shall be deemed to be its fair value as at the date of transfer. Properties held in trust are derecognised when disposed of or when there is no future economic benefit expected.

Transfers to and from properties held in trust to property, plant and equipment are determined by a change in use of owner-occupation. The fair value on the date of change of use from properties held in trust to property, plant and equipment are used as deemed cost for the subsequent accounting. The existing carrying

amount of property, plant and equipment is used for the subsequent accounting cost of properties held in trust on the date of change of use.

(i) Property, plant and equipment

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation

Depreciation is calculated on property, plant and equipment so as to write off the value of each asset over its expected useful life. Depreciation is calculated on all assets using the straight-line method.

The depreciation rates used for each class of depreciable asset are:

| Class of Fixed Asset | Depreciation Rate |
|-------------------------------------|--------------------------|
| Buildings | 2% - 2.5% |
| Plant, equipment and motor vehicles | 10% - 33% |
| Leasehold improvements | 2% |

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the Council. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the Statement of Comprehensive Income.

(j) Right-of-use-assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct cost incurred, and except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing

the underlying assets, and restoring the site or assets.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the assets, whichever is shorter. Where the Council expects to obtain ownership of the leased assets at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Council has elected not to recognise right-of-use assets and corresponding lease liabilities for short term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

(k) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(l) Trade and other payables

These amounts represent liabilities for goods and services provided to the Council prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

(m) Contract liabilities

Contract liabilities represent the Council's obligation to transfer goods or services

NOTES TO THE FINANCIAL STATEMENTS.

to a customer and are recognised when a customer pays consideration, or when the Council recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the Council has transferred the goods or services to the customer.

(n) Provisions - employee entitlements

Provision is made for the Council's liability for employee entitlements arising from services rendered by employees to reporting date.

Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries and annual leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Council to an employee superannuation fund and are charged as expenses when incurred.

(o) Lease liability

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, Council's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentive receivables, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payment arising

from a change in an index or a rate; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use assets, or to profit or loss if the carrying amount of the right-of-use assets is fully written down.

(p) Designated reserves

On occasion the Council may receive resources restricted for particular purposes. The financial report separately lists those funds which are restricted or designated and those funds which are unrestricted.

- Restricted funds are those funds presently available for use, but expendable only for operating purposes specified by the donor or by statute. When the Board specifies a purpose for the expenditure of funds, where none has been stated by the original donor, such funds are classified as designated funds.
- Unrestricted funds are those funds presently available for use by the Council at the discretion of the Board.

(q) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

(r) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Council for the annual reporting period ended 30 June 2021.

2. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The Board evaluates estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Council.

Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Council based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the Council operates.

Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the Council unfavourably as at the reporting date or subsequently as a result of the COVID-19 pandemic.

Grant income received

The interaction between AASB 15 and AASB 1058 requires management to assess whether government grants and other funding received need to be accounted for under AASB 15 or AASB 1058. Key to this assessment is whether government grants and other funding agreements contain:

- a contract with a customer that creates 'enforceable' rights and obligations, and
- the contract includes 'sufficiently specific' performance obligations.

Critical judgement was applied by management in assessing whether an obligation is 'sufficiently specific', taking into account all facts and circumstances and any conditions specified in the arrangement (whether explicit or implicit) regarding the promised goods or services, including conditions regarding:

- the nature or type of the goods or services
- the cost or value of the goods or services

- the quantity of the goods or services
- the period over which the goods or services must be transferred.

Deemed cost of properties held in trust acquired at no or nominal cost

A critical judgement that management has made in the process of applying accounting policies, and that has a significant effect on the amounts recognised in the financial statements, is in relation to where a property held in trust is acquired at no cost or for nominal cost. The Council is required to determine the deemed cost based on the asset's fair value as at the date of acquisition. The Council has determined the fair value based on inputs other than quoted prices that are observable for the asset either directly or indirectly. Considerable judgement is required to determine what is significant to fair value.

Allowance for expected credit losses

The assessment for expected credit losses requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include historical collection rates.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The Council assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the Council and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

3. INCOME TAX

The Council is exempt from income tax under the provisions of Section 50-5 of the Income Tax Assessment Act 1997.

NOTES TO THE FINANCIAL STATEMENTS.

30 June 2021 \$

30 June 2020 \$

4. REVENUE

(a) Fundraising and donations

| | | |
|-------------|-------------------|------------------|
| Fundraising | 1,563,200 | 1,695,786 |
| Donations | 5,605,828 | 5,327,027 |
| Bequests | 3,971,080 | 2,610,041 |
| | 11,140,108 | 9,632,854 |

(b) External program funding

| | | |
|----------------------------|-------------------|-------------------|
| State Government contracts | 12,052,493 | 8,557,449 |
| Healthway contracts | 1,243,248 | 1,952,055 |
| Other external contracts | 250,864 | 343,095 |
| | 13,546,605 | 10,852,599 |

5. EXPENDITURE

Prevention and Education

15,443,109

12,371,862

Cancer Council undertakes a variety of public education campaigns designed around health promotion awareness particularly in relation to incidence of cancer. These costs represent direct campaigns, publications, education sessions and a proportion of indirect administration and facility costs. Majority funding is sourced from Government contracts (refer note 4) and a contribution from the net proceeds of community fundraising.

6. DEFICIT FROM OPERATIONS

The following revenue and expense items are relevant in explaining the financial performance:

(a) Deficit from operations has been determined after:

| | | |
|-------------------|------------|------------|
| Depreciation | 969,093 | 1,254,998 |
| Employee expenses | 11,800,687 | 12,332,640 |
| Interest expenses | 8,688 | 34,747 |
| Operating lease | - | - |

(b) Significant revenues and expenses

Bequests (amounts greater than \$350,000):

| | | |
|--|------------------|----------------|
| Estate of Sandra Helen O' Keefe | - | 463,822 |
| Estate of Thelma Irene Criddle | 368,356 | - |
| Estate of Evan Thomas Stanley Williams | 439,643 | - |
| Estate of Fay Agnes Waters | 1,345,135 | - |
| | 2,153,134 | 463,822 |

(c) Surplus on sale of non-current assets

| | | |
|---|--------------|---------------|
| Proceeds from sale of non-current assets | 24,773 | 28,638 |
| Written down value of non-current assets sold | (23,559) | (17,163) |
| | 1,214 | 11,475 |

(d) Government stimulus receipts

| | | |
|--------------------------|------------------|------------------|
| Cash flow boost | 50,000 | 50,000 |
| Jobkeeper gross receipts | 2,987,538 | 1,512,000 |
| | 3,037,538 | 1,562,000 |

| | | |
|---------------------------|------------------|------------------|
| Jobkeeper top-up payments | (189,542) | (141,172) |
|---------------------------|------------------|------------------|

Jobkeeper top-up payments represent additional wages paid as a result of the Jobkeeper scheme.

7. CASH AND CASH EQUIVALENTS

Cash on hand and at bank
Cash management accounts
Cash held with fund managers

| | 30 June 2021 \$ | 30 June 2020 \$ |

Land and buildings included at a cost of:

\$8,556,529 (2020: \$8,556,529), the Shenton Park site's buildings and improvements. The Shenton Park buildings and grounds are situated on land held under conditional tenure which states that the land cannot be sold or encumbered without ministerial approval. Should the Minister deem that the land is no longer being used for the specific purposes outlined in the management order, then the land could be forfeited to the Government.

\$7,632,377 (2020: \$7,632,377), the Nedlands site's building improvements. Crawford Lodge is situated on land owned by the Queen Elizabeth II Medical Centre Trust, that the Council is leasing for a peppercorn annual \$1 rental, for a 50 year period, expiring 31 December 2048.

\$16,675,496 (2020: \$16,675,496), relates to the Council's office accommodation located at 420 Bagot Rd, Subiaco.

Capital Works In Progress is included at a carrying value of nil (2020: nil).

13. RIGHT-OF-USE ASSETS

| | | |
|----------------------------------|----------------|----------------|
| Cost | 771,294 | 694,296 |
| Accumulated depreciation | (300,950) | (153,529) |
| Total right-of-use assets | 470,344 | 540,767 |

The Council leases land and buildings for regional offices and its retail outlet under agreements of between one and ten years with, in some cases, options to extend.

On renewal, the terms of the leases are renegotiated. The Council also leases office plant and equipment and motor vehicles under agreements of less than six years.

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost plus an estimate of make good costs at the lease termination.

14. FINANCIAL ASSETS

18. RESERVES

(a) Research commitment reserves

Research grants and fellowships

Commitments contracted for at the reporting date, but not recognised as liabilities are as follows:

| | 2 to 5 Years | 2 to 5 Years |
|----------------------------|------------------|------------------|
| Research equipment grants | - | 500,000 |
| Research fellowship grants | 1,068,959 | 787,500 |
| Research project grants | - | - |
| Research program grants | 1,580,901 | 1,093,224 |
| | 2,649,860 | 2,380,724 |

Research project, program and fellowship grants

Liabilities for research project, program and fellowship grants ('grants') are recognised when the Council has a present or constructive obligation as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and the amount can be reliably estimated.

The Council has determined that it has a constructive obligation and has recognised as a liability the share of grants that are contracted and expected to be settled within 12 months from the reporting date.

The Council has also determined that the share of grants that are contracted and expected to be settled greater than 12 months from the reporting date are subject to performance conditions required by the grant recipient to activate a constructive obligation. Accordingly, these amounts are not recognised as a liability and are disclosed as grant commitments.

(b) Designated Reserves

| | Special Funds | Research Fund Reserve | Other Restricted Funds | Total |
|---------------------------------------|------------------|-----------------------|------------------------|------------------|
| | \$ | \$ | \$ | \$ |

| Closing Balance 30 June 2021 | 1,681,722 | 4,095,633 | 1,764,071 | 7,541,426 |

Special funds

Special funds are donations or bequests received with a condition that the funds be invested and only the income used for specific purposes.

Research fund reserve

The research fund reserve was created as a result of donor or bequest funding restricted in application to the purposes of nominated research topics. The restrictions apply to both capital and income.

Other restricted funds

Other restricted funds are donations or bequests received for specific projects which are ongoing or yet to be completed.

21. RELATED PARTY TRANSACTIONS

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no receivables from or payables to related parties at the current and previous reporting date.

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

NOTES TO THE FINANCIAL STATEMENTS.

22. FAIR VALUE MEASUREMENTS

Fair value hierarchy

The following tables detail the Council's assets and liabilities, measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable inputs for the asset or liability.

| 30 June 2021 | Note | Level 1 | Level 2 | Level 3 | Total |
|--|------|-------------------|----------|----------|-------------------|
| | | \$ | \$ | \$ | \$ |
| <i>Assets</i> | | | | | |
| Financial assets – at fair value though profit or loss | 14 | 46,594,497 | - | - | 46,594,497 |
| Total assets | | 46,594,497 | - | - | 46,594,497 |

| 30 June 2020 | Note | Level 1 | Level 2 | Level 3 | Total |
|--|------|-------------------|----------|----------|-------------------|
| | | \$ | \$ | \$ | \$ |
| <i>Assets</i> | | | | | |
| Financial assets – at fair value though profit or loss | 14 | 28,291,439 | - | - | 28,291,439 |
| Total assets | | 28,291,439 | - | - | 28,291,439 |

23. CONTINGENT LIABILITIES

The Council has no contingent liabilities as at 30 June 2021 (2020 Nil).

24. EVENTS AFTER THE REPORTING PERIOD

No matter or circumstance has arisen since 30 June 2021 that has significantly affected, or may significantly affect the Council's operations, the results of those operations, or the Council's state of affairs in future financial years.

AUDITOR'S INDEPENDENCE DECLARATION

As lead auditor for the audit of the financial report of Cancer Council Western Australia Inc. for the year ended 30 June 2021, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CANCER COUNCIL WESTERN AUSTRALIA INC.**

Opinion

We have audited the financial report of Cancer Council Western Australia Inc., (the 'Council'), which comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by the Board.

In our opinion, the accompanying financial report of Cancer Council Western Australia Inc., has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Council's financial position as at 30 June 2021 and of its financial performance and cash flows for the year ended on that date; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards – Reduced Disclosure Requirements. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REPORT.

Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the Council's Annual Report for the year ended 30 June 2021 but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The Board of the Council are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Board determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board of the Council is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

Report on the requirements of the Charitable Collections Act (1946) (WA) and the Charitable Collections Regulations (1947) (WA)

Opinion

We have audited the financial report of the Association, as required by the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*.

In our opinion:

- (a) The financial report of the Council has been properly prepared, and the associated records have been properly kept for the year ended 30 June 2021, in accordance with the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*; and
- (b) Funds received as a result of fundraising activities conducted during the year ended 30 June 2021 have been properly accounted for and applied in accordance with the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*;

Auditor's Responsibilities

Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising activities pursuant to the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instances of non-compliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

Dated: 22 September 2021

STATEMENT BY THE BOARD.

In the opinion of the Board of Cancer Council Western Australia Inc. (the Council):

1. The attached financial statements and notes comply with the Australian Charities and Not-for-profits Commission Act 2012, the Australian Accounting Standards– Reduced Disclosure Requirements, the Associations Incorporation Act 2015 (WA), and Charitable Collections Act 1946 (WA) and associated regulations and other professional reporting requirements;
2. The attached financial statements and notes gives a true and fair view of the financial position of the Council as at 30 June 2021 and its performance for the financial year ended;
3. The operations of the Council have been carried out in accordance with the Constitution and Rules of the Council; and
4. At the date of this statement there are reasonable grounds to believe that the Council will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board by:

RUTH SHEAN

President

PINA CAFFARELLI

Chair Finance Committee

21st day of September 2021

FREQUENTLY ASKED QUESTIONS.

How much income was generated in 2020 - 2021?

Total operating income for the year ending 30 June 2021 from all of our activities was \$27.4 million.

What were the main sources of income in 2020 - 2021?

Community and fundraising events, donations and bequests raised over \$11.1 million this financial year, accounting for 40.6 per cent of operating income. Other significant revenues were sourced from grants for cancer education and prevention programs, from reimbursements from the Patient Assisted Travel Scheme and from investments.

What income or support do you receive from the government?

We do not receive any direct funding from the government for our cancer information and support services. We receive grants from the government to run specific programs in the areas of health promotion, cancer prevention and health professional education. This grant income allows us to run large-scale campaigns such as Make Smoking History, SunSmart and LiveLighter. These campaigns are often run in partnership with other health organisations to maximise impact.

How much did it cost to operate the organisation this year?

We spent \$29.3 million on operational expenses this year, with over \$24.2 million of this allocated to our research, education and prevention programs, and our cancer information and support services.

How much did you spend on research, and how do you decide what to fund?

This financial year we invested \$2.6 million in funding and administering cancer research projects. We decide which grant applications to fund through a strict peer review process.

Each grant application is evaluated by our Research Grants Advisory Committee or by one of its Subcommittees, which include locally and internationally recognised researchers, as well as trained consumer representatives.

The role of our Committee and its Subcommittees is to assess and recommend proposals for funding on the basis of their scientific quality, and to ensure the research we fund is relevant to our community and meets their needs. This competitive structure enables us to direct funding to the most promising research conducted across a range of institutes and universities, wherever the best research occurs. Our Research Committees generously volunteer their time, knowledge and expertise.

What do your administration costs include?

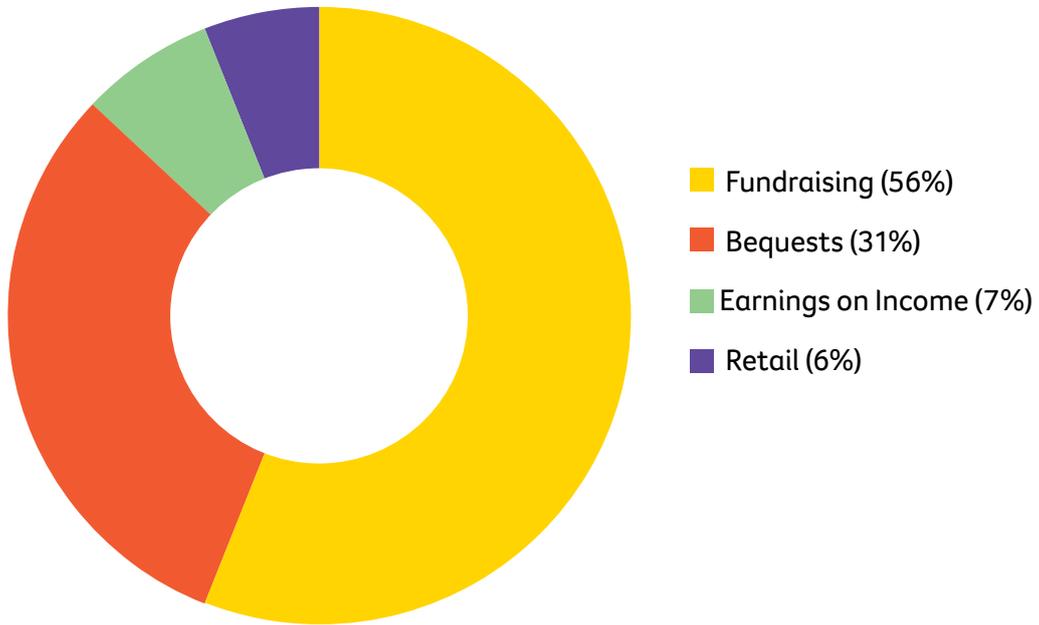

Our administration costs include accounting, occupational health and safety, human resource management, donations processing, contracts administration, and information technology. These costs enable us to run all aspects of our organisation effectively and accountably.

Efficient infrastructure underpins all areas of our work including our cancer support services, our cancer prevention programs, and our research funding program. These frameworks also ensure that our fundraising activities are absolutely transparent. As a non-profit organisation, we are committed to keeping these costs as low as possible; however, it is essential we have the highest standards of accountability and transparency, and we make the necessary investment to ensure these obligations are met.

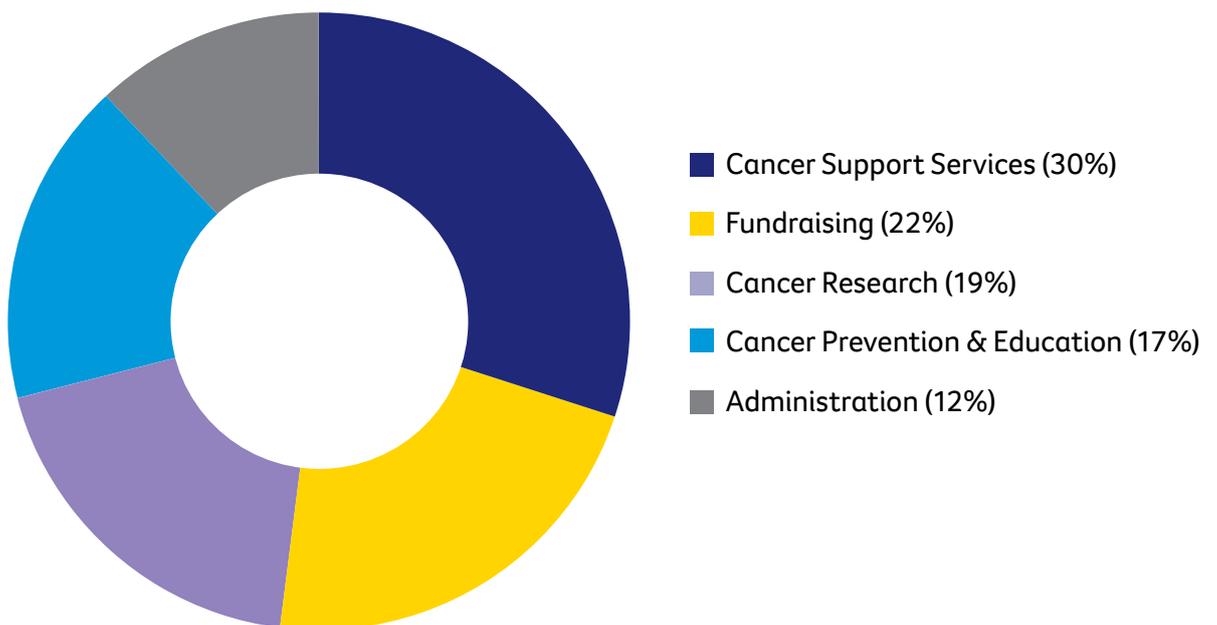

Who decides where Cancer Council WA spends its money?

The Board and the Executive approve a complete financial plan each year, which has been developed by Cancer Council WA staff. Quarterly performance against this plan is reported to the Finance Committee, a subcommittee of the Board. Our Board and Finance Committee generously volunteer their time, knowledge and expertise.

OUR BOARD.

Dr Ruth Shean - President and Chair

Appointed May 2019

Ruth worked with the WA Government for 18 years as Director General of the Department of Training and Workforce Development, the Disability Services Commission and the Department for Community Development. She was Commissioner for Public Sector Standards, the government watchdog which oversaw standards within the public sector and assisted with the appointment of government CEOs. Prior to joining government, she was CEO of the Cerebral Palsy Association of WA and Executive Officer of the Australian Council on Smoking and Health. Ruth has held leadership positions on reviews and committees for both state and federal government. She has experience in university governance, having been on governing councils of both Curtin and Murdoch Universities, where she was Pro Chancellor. Ruth has a Master's Degree and a Doctorate of Philosophy from The University of Western Australia. She is a Fellow of the Governance Institute of Australia and the Australian Institute of Company Directors, and is Chair of the National Centre for Vocational Education Research. In November 2019, Ruth was elected as Chairperson of the Cancer Council WA Board and CCWA's President. Ruth is also a Board member of Cancer Council Australia.

Matt Kelly - Vice-President

Appointed March 2010

Matt is a partner with KPMG. He began his career at KPMG in London in 1991 before qualifying as Chartered Accountant in 1994 and transferring to Australia in 2000. His work involves due diligence on and for companies, Government departments, private equity firms and banks. Matt has a BSc (Hons) in Business Administration from the University of Bath and is a Member of the Australian Institute of Company Directors, the Institute of Chartered Accountants in Australia and the Institute of Chartered Accountants in England and Wales. He is also a strong supporter of Youth Focus and has ridden from Albany to Perth on the Ride for Youth every year since 2010.

Pina Caffarelli

Appointed October 2009

Pina's professional career spans over almost 30 years in taxation and business advisory services. She commenced public practice at Ernst and Young where she qualified as a chartered accountant. In 1989, she set up her own boutique specialist accounting and tax practice known as Caffarelli and Associates, providing various services to clients including taxation, accounting, auditing and specialist advice for small business and the not for profit sector. She is also a Chartered Tax Advisor (Taxation Institute) and a Fellow of the Chartered Accountants in Australia and NZ and is a member of the Australian Institute of Company Directors. She currently chairs our Finance Committee and is also a member of our Governance Committee. Pina has held various board positions over the last 25 years, currently holding board positions in the area of arts, sport and health.

Suzanne Ardagh

Appointed September 2014

Suzanne is a governance professional and Director with more than 30 years' experience. Her career has spanned diplomacy, corporate affairs, tertiary education and membership associations. She has an extensive background in business strategy, marketing, communications, international affairs and corporate governance. Suzanne's career has spanned Europe, Latin America and South East Asia where she established the international arm of the Australian Institute of Company Directors. As a Director, Suzanne has served on both international and national Boards in the health sector, sport, international aid development and the arts over the past 15 years.

Dr Paul Cannell

Appointed May 2016

Paul graduated from The University of Western Australia in 1981. He trained as a Haematologist in Perth and spent two years post fellowship in the Haematology Department at the Royal Free Hospital in London working as a Research Fellow in the department of Professor Victor Hoffbrand. He was appointed as a Consultant Haematologist to Royal Perth Hospital in 1993. He was appointed as Head of Service in 2005 and continued in this position until transferring to Fiona Stanley Hospital in 2014 where he holds the posts including Co-Director of Medical and Surgical Specialties and Discipline Lead for PathWest Haematology. He continues to practice as a clinician with particular interest in haematologic malignancy and bone marrow transplantation.

Gavin Bain

Appointed September 2016

Gavin is charged with leading the success of the 50 strong team at Wunderman Thompson in Perth and is responsible for relationship management, growth and the ongoing development of staff. With over 20 years in senior roles at creative agencies, and 15 years in client side roles, Gavin has led the evolution of businesses, he has led from advertising to integrated growth consultancies in the communications space. Known for leading businesses with a strong talent and cultural framework, Wunderman Thompson's success is underpinned by Gavin's approach to building team structures that deliver outstanding results. Gavin is also a Board member of the Advertising Institute of Australia.

OUR BOARD.

Cheryl Chan

Appointed November 2016

Cheryl has over 20 years' experience as a lawyer, specialising in employment and discrimination law, and has worked across a number of different industries such as oil and gas, retail, financial services, health, education and government. Cheryl currently runs an employment law and investigations business, Remotely Legal. Cheryl is also on the board of Health Support Services (part of WA Health) and chairs the People and Performance sub-committee. In 2020, Cheryl was named Senior Lawyer of the Year by the Asian Australian Lawyers Association for her leadership, innovation and promotion of cultural diversity. In 2019, Cheryl was named Woman Lawyer of the Year by the Women Lawyers of Western Australia for her professionalism, influence and advocacy for women. Cheryl was also named as a leading employment and safety lawyer by Doyles' Guide in 2020 and 2021.

Professor Cobie Rudd

Appointed May 2018

Cobie is the Deputy Vice-Chancellor (Strategic Partnerships) and Vice-President at Edith Cowan University. Previously, she was ECU's Pro-Vice-Chancellor (Health Advancement), Professor of Mental Health and one of five National Teaching Fellows appointed by the Australian Government Office for Learning and Teaching in 2011; the first in simulation. She now also leads gender equity in academia for ECU and is actively addressing the gender imbalance in science, technology, engineering and mathematics. Cobie has over 30 years of experience across sectors and has served on over 15 boards of governance; including two international boards. She currently holds a Cabinet-endorsed appointment to the State Training Board. Cobie is a Graduate of the Australian Institute of Company Directors and has a clinical background as a Registered Nurse.

Giacomo Alampi-Sottini

Appointed May 2018

Giacomo is an executive leader who specialises in technology strategy and digital transformation. His most recent roles include Manager Technical Services and Manager Technology Design & Architecture at BHP following a successful transition from the finance sector where he led the development and deployment of Online Banking Systems for Bankwest. He has 10+ years of management experience, with a strong technical and financial background, currently managing the technology design of the BHP Iron Ore production systems portfolio. Giacomo has led cultural change and introduced key new technologies in all previous organisations as well as built and managed high-performing teams. He is proficient at navigating an always-evolving technology landscape and competing business priorities, creating the conditions for successful delivery of complex initiatives.

Tracie Clark

Appointed December 2018

Tracie is an accomplished adviser and investment professional with 23 years' experience in Investment Management, Financial Services, Accounting and Business Strategy. Currently the Investment Director of a private investment company, Tracie has founded two successful Financial Services businesses, worked in senior leadership teams and as a consultant. Through her career she has developed strong industry knowledge across a variety of sectors including finance, medical technologies and retail. Tracie has a Bachelor of Commerce (Accounting and B Law) is a Certified Practising Accountant and a graduate of the Australian Institute of Company Directors. She is a member of our Finance committee, Vice chair of Perth Investment Angels, and a mentor for the CSIRO On Accelerate program. She is heavily involved in Perth's Start-up community and has a passion for supporting innovation and mentoring future entrepreneurs.

Prof Ruth Ganss

Appointed November 2019

Ruth is the Head of the Cancer Microenvironment Laboratory at the Harry Perkins Institute of Medical Research and holds a professorial appointment at the University of Western Australia. Her research group at the Perkins has a strong focus on immunotherapy and new drug design with commercial partnerships. Ruth obtained her PhD at the University of Heidelberg in 1994 and, over the last 25+ years, has conducted internationally competitive cancer research in Germany, the US and Australia. From 2008-2012, Ruth was the inaugural Cancer Council WA Research Fellow, has served for 10 years on the Cancer Council WA Research Committee and, in 2014, received the inaugural Cancer Council WA Cancer Researcher of the Year Award. She has held leadership positions in national and international research and scientific advisory committees. Ruth also serves on the Board of the Cancer Research Trust in WA.

Prof Anna Nowak

Appointed March 2020

Anna is a medical oncologist at Sir Charles Gairdner Hospital and Pro Vice Chancellor (Health and Medical Research) at The University of Western Australia (UWA). Anna both treats and researches mesothelioma, and, since 2018, has been the Director of the National Centre for Asbestos Related Diseases (NCARD), an NHMRC Centre for Research Excellence based at UWA. With a research team of around 35, NCARD has an international reputation for mesothelioma immunology, biomarkers, and translational clinical trials. The work Anna did on her own PhD more than 20 years ago, investigating the combination of immunotherapy and chemotherapy, is now reflected in the international randomised trial DREAM3R that commenced in 2021. Anna also completed a post-doctoral fellowship in clinical trials and quality of life research, giving her a unique translational perspective with expertise in laboratory science, clinical trials, patient-rated outcomes and quality of life. She was recently awarded the prestigious international award, the Wagner Medal for her the broad range of her extraordinary contribution to mesothelioma research.

RESEARCH PROGRAM SUPPORTERS 2021.

Our strong cancer research culture in WA translates into improved outcomes for West Australian cancer patients and better early detection. We thank our supporters who are passionate about funding cancer research. Thanks to them, we are getting closer to a cancer free future.

THANK YOU, MOLLY NUTTALL

After 31 years of working with Cancer Council WA, Molly Nuttall stepped down from the Board's Finance Committee in March this year.

Molly resigned from the Board in 2007 but continued her support as a member of the Finance Committee.

As one of Cancer Council WA's longest serving Board members, and in recognition of her extremely important role in the organisations success, the Board awarded Molly Life Membership of Cancer Council WA in 2013.

Molly's contribution to both Cancer Council WA's Board and the Finance Committee has been exemplary, playing an instrumental part in the financial growth and strength of the organisation. Her corporate knowledge and skills have been invaluable.

In addition, Molly provided tremendous support through the A.H. Crawford Cancer Treatment Society. Her position in both the A.H. Crawford Cancer Treatment Society and Cancer Council WA served to consolidate a close working relationship between the two organisations. Collectively, the organisations have implemented initiatives which have resulted in improved treatment and support services for regional cancer patients. Molly's empathy towards the needs of cancer patients and their families, especially those from regional areas, has been one of the defining aspects of her Board membership.

Cancer Council WA would like to thank Molly for her time, kindness, energy and extraordinary contribution.

Mrs Molly Nuttall and Mr David Nuttall

THANK YOU!
