

TRACK RECORD SUPPLEMENTARY DOCUMENT

1. ACADEMIC QUALIFICATIONS

List all qualifications specifying the level of honours awarded if any, the year obtained, and the university from which they were obtained.

<u>Qualification</u>	<u>Level of Hons</u>	<u>Year</u>	<u>University, Faculty & Department</u>
----------------------	----------------------	-------------	---

2. PUBLICATIONS

List publications in terms of quality, significance of contribution to the relevant field of cancer related knowledge, standing of journals in which papers are published, quantity and consistency of publications and nature and standing of groups involved in multi authored papers.

3. CURRENT AND PREVIOUS GRANTS

List grants in terms of nature, number, size and applicant's role in attracting the grant. Major international competitive grants are acknowledged as of higher standing than local employing institutions or similar. Include grants applied for in 2020/2021.

4. PEER RECOGNITION

Include invitations to speak at major international or national meetings, contribution to decision making forum, contribution to peer review processes of research funding or institutions and other relevant factors.

5. PRIZES AND AWARDS

6. RESEARCH TRAINING

Applicant's level of contribution to supervision and mentoring of PhD and other post graduate students, post-doctoral and other research staff.

7. PROFESSIONAL AND COMMUNITY ACTIVITY

If relevant provide a brief statement of no more than 800 characters (including spaces and line breaks) outlining items that may have impacted on research opportunity.

8. RELATIVE TO OPPORTUNITY

Applicants' contribution to the wider community, including professional associations and community bodies such as Cancer Council Western Australia.

9. INSTITUTIONAL RESOURCES

Outline the resources and input supplied by the host institution, including but not limited to, buildings, laboratory space and technical support. This should be supported with a letter from the host institution.
