Your friendly kick up the bum!

Are you aged 50 to 74?

Do the bowel home test-kit
when it comes in the mail
every two years.

A simple test could save your life.

Have you...

- thrown out or misplaced your kit?
- never received your kit?
- changed mailing address?

It's easy to order a replacement kit - just scan the QR code or contact the National Cancer Screening Register on **1800 627 701**.
